Welcome back

Welcome back to all of our wonderful students. I’m sure everyone had a very enjoyable and relaxing holiday period. The children appear excited, keen and eager to begin the school year. I would especially like to welcome the many new children and families who have joined the Wauchope Public School community today. Your children will have a fantastic time at WPS over the years to come.

Over the first three days the children will be undertaking activities from the Personal Development, Health and Physical Education Syllabus. The children have been divided into groups depending on their grade and WPS staff available. The groups may rotate and/or change at various stages throughout the three days so the children will get to know the teachers who will be working very closely with that grade.

Please note that these are not the classes for 2015. As you know our student numbers dictate our staffing allocation. We need to ascertain exactly how many children are attending WPS in 2015. This is complicated by the fact that Kindergarten doesn’t commence school until next week. Hopefully, at some stage on Monday we will place the children in tentative classes. These will be tentative until we submit our numbers to the Department of Education and they notify us of our staffing allocation (usually by the end of Week 3). Thank you for your patience during this time.

We plan to hold parent information evenings during Week 4 this term. This is a chance to meet your child’s teacher and find out class expectations and routines for the school year. I will publish dates and times in next week’s newsletter for your convenience.

Please ensure your children start the year in correct school uniform with school hat. The children wear navy socks except for sport days. We are also encouraging all students to wear black shoes. All uniform requirements may be found on the school website. Thank you for your support with this. I believe we have one of the most attractive uniforms in our region and we are regularly commended by visitors to our school and whilst on excursions about how good the children look.

We are looking forward to having almost 100 Kindergarten children commence their school life at WPS next Wednesday. All children have Best Start assessment allocated times over this week and early next week. I know the Kindergarten staff is looking forward to working with the children. We have three new staff members joining our team. I will endeavour to place a picture of them in an upcoming newsletter if I can trick them into having their photo taken. From very early on I can see they have a lot of experience, knowledge and commitment to offer our school and I know they will love teaching at our WPS. Welcome Mrs Anne Puchert – Assistant Principal Special Education, Mr James Grech – Multicategorical class teacher and Mr Jake Freeman Duffy – Year 5 class teacher.
