Email: wauchope-p.school@det.nsw.edu.au

Have you made your final decision about which school you will choose for your child? If not, we invite you to contact us, have a tour of the school and share in the programs being offered.

Parent Information Evening
Tuesday 30 August 2011
4.30pm – 6.00pm

Excellence, Opportunity and Success
Is Your Child Ready?

If you can answer “yes” for most of the questions below, your child is probably ready for school and will settle in easily. Social skills and performing everyday tasks like dressing, undressing and packing his/her school bag are skills that are very important.

Can your child:
- follow directions?
- perform everyday tasks?
- get dressed alone?
- be understood easily?
- look after his/her belongings?
- take turns, listen to others, share with others?
- go to the toilet independently?
- eat lunch unsupervised?
- blow his/her nose?
- tie his/her shoelaces?
- pack their school bag?
- hold a pencil correctly?

Does your child:
- know his/her name?
- mix well with other children?
- generally finish what he/she begins?
- like games?
- part from you easily?
- have friends starting school with him/her?

Is your child:
- excited about starting school?
- confident when speaking to others?

Kinder Start Program
Mon 14 Nov – Fri 18 Nov
9.30am – 10.30am each day

During this five day program, the 2012 kinder children will spend an hour each day in a Kindergarten classroom. Children will be placed with a different teacher each day to help familiarise them to the school. Class lists will be placed on the wall outside the classroom to show you where your child will be for the morning. Classroom teachers will have activities organised for the children, incorporating a variety of curriculum areas. We ask parents to deliver their child to and collect their child from the classroom.

Students will be mailed a letter one week before school commences advising them of their teacher’s name and where their classroom is located.

Parent Evening
Tues 30 Aug
4.30pm – 6.00pm

Parents are invited to attend a parent evening and tour at the school to discuss classroom programs like ‘Jolly Phonics’, ‘Best Start’ and ‘Count Me In Too’ that are used in Kindergarten. Bus travel and safety procedures, staff/classes and preparing your child for school will also be discussed.

Enrolment procedures, uniforms and any other issues parents may like to ask regarding the enrolment of their child will also be addressed.
