Second in New South Wales

Congratulations Emily, Georgia, Larissa, Kirra, Kitiara, Samantha, Rhiannon, Sam, Abbi, Britthee, Hannah, Nicara, Rhianna, Rebecca and Georgia on being the second best girls’ soccer team in the entire State! An incredible achievement! You should be extremely proud of yourselves and I can assure you that your parents, family, coach, WPS staff and one principal is very, very proud of you. It will be an experience and achievement that you won’t forget for a very long time. Your talents were on show for all to see but what was even more impressive is that on the same day you won (semi-final) and lost (final) with graciousness and fantastic sportsmanship. You are a great team and a great group of girls. Well done.

Special congratulations to super coach Mr Baker who wears his heart on his sleeve and is always very passionate about his soccer coaching. His preparation was meticulously planned and he had the team very well prepared. A great achievement and reward for all your time and effort.

Lastly, I’d like to thank the parents and family who transported and supported the team in Newcastle and throughout the season. There was obviously a spirit and camaraderie between the parents. My observation was that the parents knew how to have a good time and one younger brother appeared to be having the time of his life especially at the buffet breakfast.

Thank you parents for your support.

Fete – Two more sleeps

This will be an event not to be missed. I encourage all our families, extended families and friends to attend what is shaping up to be a very BIG day. The day will commence at 10am and conclude at 4pm. Thank you in advance to absolutely everyone who has contributed in one way or another and to those who have been kind enough to give up their time to work on the day whether it is on a stall or the big jobs of setting up and packing up. All I can say at this stage is Be there or be square!

K-2 Athletics Carnival

Unfortunately the weather was not totally kind to us with this event. However, we did manage to get through almost all the events. A big thank you to the organiser Mr Beard and all K-2 staff for your efforts on the day. Thank you to all parent helpers and of course our P&C led by Nicole for running the canteen.
Canberra Excursion

Good luck to the Year 6 students who will be travelling to Canberra next Tuesday. It will be an experience they will not forget. I still remember my Year 6 excursion to Canberra. We camped in tents in very, very cold and wet conditions (tent collapsed) and ended up staying in a local school's hall. A huge thank you in advance to the WPS staff attending the four day excursion. They are leaving family, not receiving any overtime, being on duty 24 hours a day and looking after approximately 80 students. A big responsibility. I hope the children are extremely well behaved and appreciative. Thank you teachers and good luck. Good luck also getting them all to clean their teeth!
